rabbinic documents of david progenitor of the messiah carry forward the scriptural narrative of david the king but he also is turned by rabbinic writings of late antiquity from the mishnah through the yerushalmi and the bavli into a sage consequently the rabbis messiah is a rabbi how did this transformation come about of what kinds of writings does it consist what sequence of writings conveyed the transformation and most important what do we learn about the movement from one set of israelite writings to take over or submit to the values of another set of writings these are the questions answered here for david king of israel rabbi david proves that the first exposition of the figure of rabbi david in a program of elaboration and of protracted exposition of law and scripture is found in the bavli prior to the closure of that document that is in the rabbinic documents that came to closure before the bavli we do not find an elaborate exposition of the figure of david as a rabbi by contrast in the bavli ample

canonical evidence attests to the sages transformation of david king of israel into a rabbi so while bits and pieces of rabbi david find their way into most of the canonical documents we find the elaborately spelled out rabbi david to begin with in the bavli now represented as a disciple of sages and a devotee of study of the torah that usage attracts attention because when we encounter david in rabbinic literature as in all other judaic canons not only rabbinic this signals we are meeting the embodiment of the messiah the representation of the kings of israel in the davidic line as heirs of david forms a chapter in exposing the messianic message of rabbinic judaism
