health care costs make up nearly a fifth of u s gross domestic product but health care is a peculiar thing to buy and sell both a scarce resource and a basic need it involves physical and emotional vulnerability and at the same time it operates as big business patients have little choice but to trust those who provide them care but even those providers confront a great deal of medical

uncertainty about the services they offer selling our souls looks at the contradictions inherent in one particular health care market hospital care based on extensive interviews and observations across the three hospitals of one california city the book explores the tensions embedded in the market for hospital care how different hospitals manage these tensions the historical trajectories driving disparities in contemporary hospital practice and the perils and possibilities of various models of care as adam reich shows the book s three featured hospitals could not be more different in background or contemporary practice publicare was founded in the late nineteenth century as an almshouse in order to address the needs of the destitute holycare was founded by an order of nuns in the mid twentieth century offering spiritual comfort to the paying patient and groupcare was founded in the late twentieth century to rationalize and economize care for middle class patients and their employers reich explains how these legacies play out today in terms of the hospitals different responses to similar market pressures and the varieties of care that result selling our souls is an in depth investigation into how hospital organizations and the people who work in them make sense of and respond to the modern health care market

winner of the 2024 donald w light award for applied medical sociology american sociological association s section on medical sociology one out of every six patients in the united states is treated in a catholic hospital that follows the policies of the u s conference of catholic bishops these policies prohibit abortion sterilization contraception some treatments for miscarriage and gender confirmation and other reproductive care undermining hard won patients rights to bodily autonomy and informed decision making drawing on rich interviews with patients and providers this book reveals both how the bishops directives operate and how people inside catholic hospitals navigate the resulting restrictions on medical practice in doing so bishops and bodies fleshes out a vivid picture of how the church s stance on sex reproduction and life itself manifests in institutions that affect us all

usa today s 5 books not to miss alexander nimbly and grippingly translates the byzantine world of american health care into a real life narrative with people you come to care about new york times takes readers into the world of the american medical industry in a way no book has done before fortune with his signature gut punching prose alexander breaks our hearts as he

opens our eyes to america s deep rooted sickness and despair by immersing us in the lives of a small town hospital and the people it serves beth macy bestselling author of dopesick by following the struggle for survival of one small town hospital and the patients who walk or are carried through its doors the hospital takes readers into the world of the american medical industry in a way no book has done before americans are dying sooner and living in poorer health alexander argues that no plan will solve america s health crisis until the deeper causes of that crisis are addressed bryan ohio s hospital is losing money making it vulnerable to big health systems seeking domination and phil ennen ceo has been fighting to preserve its independence meanwhile bryan a town of 8 500 people in ohio s northwest corner is still trying to recover from the great recession as local leaders struggle to address the town s problems and the hospital fights for its life amid a rapidly consolidating medical and hospital industry a 39 year old diabetic literally fights for his limbs and a 55 year old contractor lies dying in the emergency room with these and other stories alexander strips away the wonkiness of policy to reveal americans struggle for health against a powerful system that s stacked against them but yet so fragile it blows apart when the pandemic hits culminating with covid 19 this book offers a blueprint for how we created the crisis we re in

timely unique and definitive not only chronicles the history of the nonprofit sector but also provides a broad but critical analysis of its current state vartan gregorian president carnegie corporation of new york the nonprofit sector has changed in fundamental ways in recent decades as the sector has grown in scope and size both domestically and internationally the boundaries between for profit governmental and charitable organizations have become intertwined nonprofits are increasingly challenged on their roles in mitigating or exacerbating inequality and debates flare over the role of voluntary organizations in democratic and autocratic societies alike the nonprofit sector takes up these concerns and offers a cutting edge empirical and theoretical assessment of the state of the field this book now in its third edition brings together leading researchers economists historians philosophers political scientists and sociologists along with scholars from communication education law management and policy schools to investigate the impact of associational life chapters consider the history of the nonprofit sector and of philanthropy the politics of the public sphere governance mission and engagement access and inclusion and global perspectives on nonprofit organizations across this comprehensive range of topics the nonprofit sector makes an essential contribution to the study of civil

society praise for previous editions takes a decidedly multidisciplinary approach invaluable journal of policy analysis and management a major contribution to the field social forces

this is a brilliant original and broadly defined history of the hospital drawing extensively on narratives written by patients and caregivers to give vivid pictures of hospital life at key stages in the development of the institution

economic institutions are undergoing radical transformations and with these has come a reconfiguration of labor market institutions managerial conceptions of work and the nature of authority and control over employees as well this volume addresses a wide array of questions to better understand these dramatic changes

this best selling textbook and reader continues to set the standard in medical ethics it contains the necessary background information readings and case studies to help readers appreciate the complex moral and social issues of modern medicine the book's non technical approach gives readers with little or no philosophy or medical background the opportunity to participate in discussions about the many thought provoking issues that concern medical ethicists

csa sociological abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences the database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

this volume presents the lives of three women of the thirteenth century all written by contemporaries in the late middle ages almost every town in northern europe had its own anchoress who would keep in touch with the citizens through a window looking onto the churchyard or through a door and window looking into the church as shown in the cover illustration such women along with the beguines cistercian nuns and monks reform minded clergy and devout laywomen formed what barbara

newman has termed close knit networks of spiritual friendship that easily crossed the boundaries of gender religious status and even language this volume presents the lives of two recluses yvette of huy whose life was recorded by her spiritual friend the premonstratensian hugh of floeffe and margaret the lame of magdeburg whose lessons were recorded by her confessor the dominican john of magdeburg introduced and translated by jo ann mcnamara and gertrud jaron lewis and tilman lewis respectively the anchoress eve of saint martin was an author herself her memoir in french on her friend juliana s and her own labour for the new feast of corpus christi forms the basis of the latin life of juliana of cornillon introduced and translated by barbara newman

bodies in a broken world women novelists of color and the politics of medicine

an understanding of philosophical and ethical concepts

at a time of increasing disillusionment with scientific medicine and the mythology of the beneficent god like physician there is also paradoxically a growing dependence on biomedicine to provide the answers to social as well as medical problems this book illuminates why attitudes to medicine are characterized by such strong paradoxes and why issues of disease illness and the medical encounter are surrounded by controversy conflict power struggles and emotion

this book is about an alternative mode of reading thinking and representing the intricacies of human experience in chinese literature of the late twentieth century which the author calls the aesthetics of the beyond it investigates how contemporary chinese writers by means of dynamic interface of literary practice and cultural philosophical considerations engage the reader in critical reflection on and aesthetic appreciation of the complexity of human conditions by studying the beyond in its various manifestations the semiotics of human embodiment the discourse of the phantasm the politics of nostalgia with regard to origin and center and the metaphysics of death in the writings of some major contemporary chinese writers the book explores the ways in which the beyond is constructed as a new paradigm of critical thinking in literary aesthetic and philological terms in which its discursive strategies structural features and aesthetic possibilities are presented and in which varied literary tropes are used in

an attempt to unravel human experience in all its aspects jianguo chen is a professor of chinese literature at the university of delaware
