counseling or therapy attend 12 step meetings or any other way of recovery this is a great workbook to help you overcome your cravings while creating a healthier lifestyle so that you can live the life you've always wanted the crack recovery workbook provides practical help comfort and hope

this is the workbook that goes with my first book *Midbrain and the Beast* over the past twenty years while working as a substance abuse counselor and helping people who struggle with drug and alcohol addiction some making it and some not I've learned a few things about what works and what doesn't during the last few years I've been focusing most of my efforts toward something I feel is very important to long term success and the success I'm referring to means a lot more than just sobriety anyone can quit drinking and drugging a ten year old child can tell you how to quit drinking and drugging quitting is the easy part staying clean and sober that's the difficult part the biggest challenge for most people is living life on life's terms without turning to a mood altering chemical and how to do that is what I'm going to share with you in this workbook we'll get into the details of what separates the winners from the losers some people don't like when I use the word loser however the reality is if you relapse you will increase your chances of losing this game called life if you want to be successful do what successful people do go where they go and learn what they learn successful people in recovery are willing to do what the unsuccessful people won't do this separates the men from the boys the mature women from the little girls as you complete this small workbook program you'll notice I like to keep things simple I do it this way mainly so I can understand it and then explain things in a way you can understand it then you can gain the knowledge and apply it to your life we've all heard that knowledge is power well I've learned that applied knowledge is real power and power means the ability to make things happen to get something done so let's get started

many people who struggle with compulsive behaviors such as drinking smoking using drugs gambling masturbation etc want to stop using but they are continually overcome by cravings caused by euphoric recall they live trapped in a vicious cycle of addiction I've created a framework that helps them clarify their vision of recovery and prevent relapse long term so that they can start living the life they've always wanted *Courageous Recovery: An Inpatient Rehab and Drug Treatment Programs Workbook* by Whole Recovery is a guide through recovery from all kinds of addiction including but not limited to crack cocaine heroin alcohol sex gambling food and shopping this is a workbook that will help recovering addicts who are in their early stages of recovery to establish balance and a healthy lifestyle use this book to journal your way through recovery respond to the daily prompts honestly to yourself write it out in the book and you will experience the
